

LG 7.3 CU. FT. ULTRA LARGE CAPACITY ELECTRIC DRYER WITH SENSOR DRY TECHNOLOGY - DLE7000W

SKU: 500031C

About This Item Product Benefits Details WarrantyDimensions: 29.50" x 27" x 44.25"Color: White7.3 cu. ft. Ultra Large CapacitySensor DryFlowSense Duct Clogging & Lint Filter IndicatorsENERGY STAR CertifiedAluminized Alloy Steel DrumLoDecibel Quiet OperationDescriptionThe LG Sensor Dry system keeps tabs on moisture levels throughout the cycle and automatically adjusts drying time as needed—so you don't have to. And with generous 7.3 cu. ft. capacity that fits more laundry in every load, this dryer makes laundry day easier all-around. FlowSense duct clogging indicator lets you know when your ducts need cleaning to avoid lint buildup and keep your dryer clean, efficient and safe.
