

SAMSUNG BESPOKE SMART 2.1 CU. FT. OVER-THE-RANGE MICROWAVE WITH AUTO CONNECTIVITY & LCD DISPLAY - ME21DB670012

About This Item Product Benefits Details Warranty2.1 cu. ft. Oven CapacitySensor Cook400 CFM VentilationSmart Things CookingClock (12 hr/24 hr) with Daylight Savings Time AdjustmentVoice-EnabledDescriptionThis Samsung Over-the-Range Microwave conveniently syncs with your Samsung range or cooktop so that ventilation and lighting will turn on automatically when you turn on the burners. Through the SmartThings app, you can remotely adjust ventilation speed and cooking time right from your smartphone and receive alerts when heating or cooking is finished. It also has an extra-large 2.1 cu. ft. capacity that will accommodate even your largest dishes, and glass touch controls illuminate with a simple touch and dim when not in use for a clean, seamless look.
